

CORRPRINT™

Inks & Coatings for Corrugated

- **Lightning-fast service!**
- **All GCMI inks are stocked.**
- **Available in standard and display quality.**

CORRPRINT™ water-based corrugated inks are formulated to match on both natural kraft and mottled white substrates, giving you the ability to use one ink series for both.

- **Cuts ink inventory in half.**
- **Operator never selects the wrong ink.**
- **The inks run great.**

GO GREEN AND SAVE SOME GREEN!

Ask your Magnum Rep about our Excess Ink Return & Recycling program which can **save you money** in reduced disposal costs.

We want to be your ink company.
