# Envy™

## Envelope Ink System

**Envy™** custom inks produce vivid, vibrant color saturation on a range of substrates. Choose **Envy** for direct mail, banking, financial transaction, insurance policy, and business communication envelopes. **Envy** envelope ink formulations reduce curling and are low foaming with excellent rub resistance. **Envy** will keep your production run times efficient, and being water-based cleanup is a snap. Magnum Inks & Coatings can formulate ink for a diverse range of equipment and accommodate long or short production runs. Our focus is on quality, service, and satisfaction.

Your business is unique, and so are your customers. That's why Magnum Inks & Coatings will be your problem-solving partner. We are American-owned and operated and have enjoyed more than a decade of success by being responsive to our customer's needs, big and small. We want to know your process so we can build reliability, consistency, and trust.
