LabelPrint™

Inks & Coatings for Narrow Web Label Printing

LABELPRINT NARROW WEB LABEL INKS AND COATINGS.

Magnum Inks & Coatings offers a selection of narrow web label inks and coatings suitable for various substrates and narrow-web printing applications. Our expertise with narrow web label inks allows us to customize existing products to meet your specific needs or quickly develop new products to help grow your business. LabelPrint inks deliver world-class adhesion, superior resistance properties, and brilliant, precise color.

LABELPRINT INKS & COATINGS:

- **Paper/Direct Thermal/Thermal Transfer** – one ink system for all three applications.
- **Film/Foil** – excellent adhesion, water resistance, and superior printability.
- **Laminating** – excellent adhesion and bond strength.
- **Alkaline Resistant** – ideal for soap wrappers or where high pH bleed resistance is required.
- **Envelope** – strong, stable inks.

LABELPRINT AQ COATINGS

Our line of general-purpose coatings is expandable to provide a wide variety of functional, decorative, and specialty coatings based on your needs.
